

COSSANS SOLAR & BESS PROJECT DEVELOPMENT

Welcome to the first of two public exhibitions for the proposed Cossans Solar & Battery Energy Storage System (BESS) Development, located 2.5km west of Forfar.

These events are designed to keep you updated and get your feedback on our proposals.

Feedback

Please let us know your thoughts about the proposed Cossans Solar & BESS Development by completing a printed community questionnaire or scanning a QR code to complete it online.
