

Table of Contents

Volume 4 – Technical Appendices

- Chapter 1: Appendix A Pre-Application Advice Request Perth and Kinross Council
- Chapter 1: Appendix B Pre-Application Advice Request Energy Consents Unit (ECU)
- Chapter 1: Appendix C Pre-Application Response Perth and Kinross Council
- Chapter 1: Appendix D Agent Clarifications to Perth and Kinross Council Response – Project Detail
- Chapter 2: Appendix A Constraints Mapping of Developable Land (TRIO/BLC)
- Chapter 3: Technical Appendix 3.1 Outline Construction Environmental Management Plan (CEMP)
- Chapter 5: Technical Appendix 5.1 Policy and Guidance
- Chapter 5: Technical Appendix 5.2 Full LVIA Methodology
- Chapter 5: Technical Appendix 5.3 Landscape Sensitivity
- Chapter 5: Technical Appendix 5.4 Effects on Sensitive Receptors
- Chapter 5: Technical Appendix 5.5 Landscape Mitigation Plan (LMP)
- Chapter 6: Technical Appendix 6.1 Preliminary Ecological Appraisal (PEA)
- Chapter 6: Technical Appendix 6.2 Baseline Ornithology Report – Breeding Birds (BBS)
- Chapter 6: Technical Appendix 6.3 shadow Habitats Regulations Appraisal (sHRA)
- Chapter 6: Technical Appendix 6.4 Outline Biodiversity and Enhancement Management Plan (OBEMP)
- Chapter 7: Appendix A Cultural Heritage Gazeteer
- Chapter 7: Appendix B Site Photographs
- Chapter 8: Technical Appendix: Flood Risk and Drainage Impact Assessment
- Chapter 8: Technical Appendix : Schedule of Watercourse Crossings
- Technical Appendix: Land Capability for Agriculture – Appendix A Analytical Results
- Technical Appendix: Land Capability for Agriculture – Appendix B Survey Record
- Technical Appendix: Land Capability for Agriculture – Appendix C Droughtiness Calculations
- Technical Appendix: Land Capability for Agriculture – Site Drawing: Land Capability for Agriculture

Technical Appendix: Transport Statement – Appendix A Site Layout Plan and Indicative
Layout of Access from C411 Roman Road

Technical Appendix: Glint and Glare Assessment – Appendix A.1 Forge Solar Analysis

Technical Appendix: Socio-economic Technical Note
